Swim 4 Life, 2012

Swim4Life is a partnership between City of Portsmouth, YMCA of Portsmouth, Healthy Portsmouth and EVMS/CINCH to teach children participating in the city's summer program to swim. This program engaged the city and YMCA to establish a joint use agreement to enable the YMCA to provide swimming expertise and teaching to the children participating in the summer program at Cavalier Manor Pool, the city's only public outdoor pool. The project has provided lessons to over 1,300 children since 2012.
